FORESKIN MAN

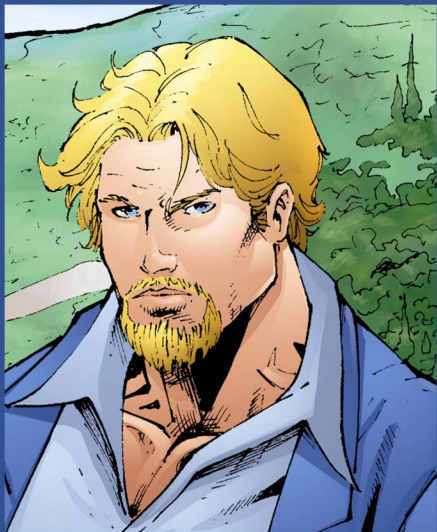

FORESKIN MAN

Frustrated by society's failure to protect its most vulnerable citizens, Foreskin Man has taken up the fight against male genital mutilation.

Aided by the power of his technologically advanced plasma boots, Foreskin Man flies above the city to hunt down criminals who cut the genitals of innocent boys.

*It is the dawn of a new era.
Circumcisers, beware!*

MIAH REDSTONE

MIAH REDSTONE

Miah Redstone has always been passionate about protecting boys from circumcision, although lately it hasn't helped her social life. Her boyfriend just dumped her after she got into an argument with his best friend, and last week she had a big blowout with her brother-in-law over plans for Glick's bris.

Fortunately, things are starting to look up again - especially since she met Miles Hastwick.

ADANNA DALILA

Almost from the day they were born, Adanna Dalila and her friend Akeyo did everything together. And today, it seems, they will be circumcised together.

Adanna could try to run, but with the guards nearby she knows she won't get far. There is nothing left to do but cover her ears to drown out the screams, and wait for Ghinjo to cut off the precious pieces of her flesh.

FORESKIN MAN

25

GITHINJI

GITHINJI

Githinji is the de facto leader in an otherwise lawless region of the Kenyan jungle. Key to maintaining his grip is the threat of a painful and humiliating circumcision.

Boys who subject themselves to the tribal cut are sure to lose their entire foreskins, while those who dare to resist will endure a crack of the whip, a slip of the knife, and a brush with death.

FORESKIN MAN

26

GHINJO

GHINJO

Ghinjo is the most infamous female circumciser in all of East Africa. Her reputation was built by slicing away as much tissue as possible — especially from the prettiest and most popular girls.

Ghinjo despises any display of affection or sexuality, and she will not rest until every girl in her corner of the jungle has been circumcised. As for the boys, her husband will take care of them.
